In-house Training Service Process

In-house Training Clients' Feedback

www.EasyFinance.com.cn

- **As the old saying goes : Give a man a fish and you will feed him for a day; teach a man to fish and you will feed him for a lifetime. I think this has been realized in Easy Finance' Training!**

——SINOCHEM INTERNATIONAL CORPORATION

We choose EasyFinance as our long-term financial training supplier because of its outstanding trainers and systematic courses. The professional knowledge of their trainers is well acknowledged and fully trusted in financial training field. They are both experienced in corporate financial management and have professional training skill, systematic guidance method and affinity, which ensure the high quality of the each training program.

We gave an average score of 92 to all the courses EasyFinance has conducted, and we would like to take another training in the future. Participants considered it as **“a pleasant process of learning financial knowledge”**. On after-training evaluation, **we found 75% of the trainees implemented the tools and methods gained from the training to their daily work**. The result explains why we continuously participate in EasyFinance' training.
